Dear Business Owner:

Year after year, Edgemont Wrestling continues to prove itself as one of the strongest athletic programs in the area. Through the dedication of our coaching staff, the guidance of our parents and the commitment of our athletes, we have managed to produce champions both on and off the wrestling mat.

We accomplish this through a strict adherence to our core values and a rigorous program. We cannot accomplish this mission alone, however – it is local businesses like yours that enable us to help our athletes succeed. The donations of generous local businesses have helped our program pay for travel out of the area to find the best competition and much needed equipment that our athletic department does not provide. We are certainly proud to be part of a community so supportive of our high school's athletic programs.

We are asking for your help!

Help us continue our tradition of excellence as we shape the next generation of champions and leaders. Please consider placing an advertisement in our 2019-2020 Edgemont Wrestling Journal. This journal will be mass produced and distributed at our home matches and tournaments and is a great way for your business to reach a very targeted local audience. Our community has proven very supportive of our past sponsors and this practice will certainly continue.

Please take a look at our accompanying rate sheet; every advertisement, no matter the size, helps us accomplish our mission and is greatly appreciated.

If you have any questions, please contact our journal coordinator Laura Seeley at (917) 648-4682 or lwseeley62@gmail.com.

Sincerely,
